

A Crash Course in Preparing to Write About Unfamiliar Topics (Or Topics Outside Your Range of Strategic English Competency)

How to write a (good) piece of Academic Writing when you're not an expert on your topic.

Undirected vs. Directed Research

- General Engagement & Interest
- Basic Groundwork
- Advanced Understanding: **Primary Sources**

How to research

- Source quality/ Finding credible sources
- Vocabulary/Keyword Collection

Vocabulary List:

- Human trafficking: _____
- Syndicate: _____

Topic Examples:

- Long COVID's Impact on the World's/National Economies
- Oceanic Pollution
- Effects of Generational Trauma
- Slavery today
